[Google Patent Search Help](#)Patents Showing:  View as:  Patents 1 - 10 on continuity module ring. (0.15 seconds)Sort by relevance | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)Multi-tier point-to-point ring memory interface

US Pat. 6658509 - Filed Oct 3, 2000 - Intel Corporation

A first continuity device GDI completes the root ring bus, ... second-tier controller has no memory module, a continuity module can be placed in that slot. ...

Configurable width buffered module having flyby elements

US Pat. 7266634 - Filed Jul 13, 2004 - Rambus Inc.

Other point-to-point topologies include a "ring" in which a plurality of ... Continuity module 923 includes one or more conductive elements or signal lines ...

Laser module mounting means for weapons and other applications

US Pat. 5531040 - Filed Nov 23, 1994 - Tac Star Industries, Inc.

11, module 84 has near end 95, 35 O-ring 94 and near end 97, electrical contact 96. ... Contact by screws and springs sufficient for electrical continuity ...

Laser module assembly

US Pat. 5121188 - Filed May 16, 1990 - Applied Laser Systems

Conversely, when the cap is loosened to break continuity between the module, the battery terminals and the casing, pointer can be carried about in the ...

Wide band slip ring module

US Pat. 4139251 - Filed Nov 2, 1977 - Litton Systems, Inc.

1 is a schematic showing of a slip ring module; sections 28 and 29. ... and the cal continuity is maintained between the member 27 and high frequency ring ...

Switching system having selectively interconnected remote switching modules

US Pat. 4558444 - Filed May 11, 1983 - AT&amp;T Laboratories

In response to the continuity signal from the E-bit check circuit 192 of control unit, line unit is notified to transmit ring current to subscriber set and ...

Device for connecting a station to a local area network comprising at least ...

US Pat. 5530694 - Filed Jun 29, 1993 - Societe Dite Alcatel N.V.

Likewise, a second switch function 2b in the module M1b can route 20 signals directly from segment A2' to segment A2 of the second ring. ...

Method and apparatus for performing impedance measurements on a ...

US Pat. 5661776 - Filed Jun 6, 1995 - Atlas Telecom International Ltd.

More 40 particularly, the power supply module 92 comprises input \_ leads 94 and 96 connected to fee tip and ring conductors ...

Modular swivel connector

US Pat. 4547027 - Filed Feb 21, 1984 - ITT Corporation

In order to maintain electrical continuity between the various circuits of the base module and the monitor module as they are swiveled with respect to each ...

Channel selection in a switching system having clustered remote switching ...

US Pat. 4566094 - Filed May 11, 1983 - AT&amp;T Bell Laboratories

In response to the continuity signal from the E-bit check circuit 2192 of control unit 568, line unit 572 is notified to transmit ring current to subscriber ...
